

Catechetical Guidelines Approved Texts **2010-2011**

The Office of Lifelong Catholic Formation/Education is not designating one series to be used throughout the diocese, because we recognize that there is great diversity in parish Religious Education Programs. Because of this it is important for parishes to determine which of the series best fits their needs. The series listed alphabetically below are from the major publishing companies and have been approved by the Ad Hoc Committee to Oversee the Use of the Catechism, National Conference of Catholic Bishops, “to be in conformity with the *Catechism of the Catholic Church*”. The Office of Lifelong Catholic Formation/Education has also designated them as approved for use by parish Religious Education Programs because they best reflect the norms of these *Guidelines for Curriculum* and the *Guidelines for Catechesis*, in both content and number of sessions provided.

Below are the approved texts for the following:

Catechetical Guidelines for:

- Grades 1-6.....3, 4
- Grades 7&8.....5, 6, 7
- High School8, 9

Sacramental Preparation for:

- Baptism10
- Reconciliation11, 12
- Eucharist13, 14
- Confirmation.....15, 16
- RCIA17

Instead of sending out replacement pages and or requiring you to go to each set of guidelines for the approved texts, we have put them into one document that can be downloaded and printed.

New series or resources added 2010-2011 year are marked: ✓

Alternative Approved Program for Parishes/Mission with Combined Grades 1 – 6

The Office of Lifelong Catholic Formation/Education recognizes that some parishes and missions do not have enough children in each grade to use the traditional series in their Religious Education Program. Therefore, we suggest an alternate approach in order to meet the need of covering the material in these guidelines in an appropriate manner. This approach would combine a lectionary-based program with grade level workbooks on the basics of our Catholic faith that would provide for learning together as a larger group, and small group work by grade level. Since the programs are lectionary-based, different material would be covered for each year of the three-year cycle (Cycles A, B, and C.)

The approved lectionary-based programs, listed in alphabetical order, are:

Pflaum Press

Promise (K and 1)

Good News (Grades 2 and 3)

Venture (Grades 4, 5, and 6)

Combining this material with the following workbooks would insure that the basic elements of our Catholic faith are covered each year:

RCL Benziger:

Our Catholic Identity: Catechism Workbook, 1997 (Grades 1-6)

Approved Text for Grades 7 and 8

For the most effective and consistent catechesis for these grade levels, the same series should be used in both grades seven and eight. Publishing companies with qualified consultants and authors have created these programs for young adolescents to meet their needs in both theological content and educational learning styles.

Pflaum Publishing Group

Pflaum Gospel Weeklies: VISIONS (Published yearly)

Combining lectionary-based material with the following workbooks/worktexts would ensure that the basic elements of our Catholic faith are covered each year:

RCL Benziger

Our Catholic Identity: Catechism Workbook (1998)

Remedial Texts for Students in Grades 7-8

Some students who have been away from a formal catechetical program for more than a year may require some remedial (or catch up) work to effectively participate with the other students in the program. The Office of Lifelong Catholic Formation/Education recommends a separate catechist or parent do this outside of the traditional class time. This would allow students the opportunity to also participate with their peers in the regularly scheduled classes.

The approved texts for remedial student work are:

RCL Benziger

The Catholic Faith: An Introduction (1997)

William H. Sadlier, Inc.

One Faith, One Lord: A Study of Basic Catholic Beliefs (1994)

Approved Texts for High School

The following texts have been reviewed by the Office of Lifelong Catholic Formation/Education and approved for use in parishes in the Diocese of Beaumont. These texts deal with the faith themes listed on pages 5 and 6 of the guidelines in an adequate and appropriate manner for use with older adolescents.

The Spirit Sets Us Free – Confirmation Preparation for Youth

Remedial Instruction for Confirmation

At times students come forward for the Sacrament of Confirmation who have not been attending religious instruction on a regular basis, or who have not attended since they received their First Eucharist. Since proximate (immediate) preparation for Confirmation focuses on the sacrament, it is important to provide remedial instruction for such students before they enter the Confirmation Program. The amount and kind of remedial work needed is a pastoral decision based upon previous attendance and what would be best to bring the student up to where his or her classmates are concerning an understanding of the Catholic Faith.

Remedial instruction can be done in a variety of ways, depending upon the situation. Where there are several students of a similar age and lack of religious instruction, a remedial class can be created for them, or if only one or two students come forward, you may involve the parents in working with the student at home and bringing him or her in for a quarterly evaluation. The books listed below are overviews of our Catholic Faith that can be used in either format, a special class or individual study, and guidance is available from the Office of Lifelong Catholic Formation/Education if there are questions concerning this issue.
