Office of Catholic Schools

August 3, 2020

Dear Parents,

The opening date of Catholic schools has been moved from August 10, 2020, to August 17, 2020, at the request of the Catholic school principals. The principals requested the change of the start date to allow an extra five days to prepare for a successful opening and to ensure the details of the Reopening Plans are in place.

The Diocesan Reopening School Guidance Plan can be found on the schools page on the Diocese of Beaumont website. Each school has developed a campus plan to address procedures specific to that campus. You should have received the campus plan from your principal.

I am looking forward to a safe and successful school opening on August 17. You and your family remain in my prayers.
